

Summer 2013 Germany and Austria

Ask of me and I will give the nations as an inheritance
Psalm 2:8

Wade and Linda left for Germany (and a week in Austria) on May 22nd for two months of intense ministry, not returning home until July 22nd. Extremely busy, they ministered almost everyday and in fact, they went in two different directions on most Sundays. Here is a sampling of some the things that happened during that two months.

GOSPEL CAFE

You've seen variations of this picture many times over the years because we love the Gospel Cafe! It is a great time to sing cool songs and preach The Good News in a simple, easy to understand way that even the people who walk in off the street can understand. Many have never heard that God loves them so completely.

I know that it looks like we have more luggage than necessary, but the bags were almost empty upon arrival. We are still moving things back from Germany, so on the return trip our luggage was more than full.

Many thanks to Hartmut and Elisabeth Kohr for hosting us in their home for seven weeks! Pictured below we are taking the day off to celebrate the 4th of July. Hartmut had an American flag printed so we could celebrate properly!

WADE STYL'EN IN HIS COOL HAT

The phone rang and a pastor introduced himself and asked if we would be willing to help him with an outreach. After agreeing to help in whatever way we could, he said, "But you should know that we are Baptist."

I realize that it gets somewhat tedious seeing pictures of us preaching... but that is what we spend much of our time doing! So it is mandatory to put a few preaching pictures.

PARTNERING

As you might guess, we helped that pastor by giving a gospel and folk concert that was heard by people several blocks away, who then came to see what was happening. The Believers of that Baptist church were able to give

them a cup of coffee, a piece of cake and share the love of a Savior that cares so very much about them... but they would have never heard about that love, had not a band been playing songs that drew them in.

THE NETZ GEMEINDE (THE NET COMMUNITY OR CHURCH)

Three unique communities or churches have now come together to form one unified body of Believers in the capital city of Erfurt, Thuringen, Germany.

We are honored to be a small part of the joining together of visions to see The Kingdom impact their region!

One of our greatest joys is being a small part of the development of the Believers of Thuringen. We especially love the under 30 folks and many of our ministry opportunities are focused on this group of people.

can't see). Her name is Isa and from talking to her (and reading her tattoos) I found out she and her group are traveling around looking for FREEDOM.

That day, Isa had a seed planted in her heart that explained the source of true freedom, which is a personal relationship with God as a loving father, through his son Jesus Christ. Pray that others will come along and water that beautiful seed.

1 Corinthians 3:6-8

I planted, Apollos watered, but God gave the increase. So then neither the one who plants is anything, nor the one who waters, but God who gives the increase. Now the one who plants and the one who waters are one and each will receive their own reward according to their own labor.
